## Annual Regional Workshop

**“Enhancing Sexual Health and Harm Reduction Services for Better Patient Care”**

We organized a comprehensive regional workshop, gathering and linking **41 participants from Lebanon, Jordan, Iraq, Syria, Tunisia, Morocco, and Algeria.**

## Expanding our geographical scope

Supported and coached the **Lebanese Family Planning Association in both Beqaa and Tyre** to deliver sexual health services in an effort to make them more accessible to key populations around Lebanon.

We also regularly collaborate with the **Palestinian Women's Humanitarian Organization in Burj Al-Barajneh Camp.**

Over the past two years, we have been developing its reach to **community-based organizations in Jordan** through mutual capacity strengthening.

This year we are working on **expanding to the North.**  
Stay tuned for our updates to know more!

## Knowledge Dissemination

**We presented 6 scientific posters**  
at regional and international conferences.

**AFRAVIH 2022** 6 to 9 April 2022 in Marseille, France.

**AFRAMED 2021** 19 to 21 November 2021 in Hammamet – Tunisia
